TACKLE YOUR SPRING CLEANING WITH EASE THIS YEAR BY REFERRING TO YOUR HOUSEKEEPING GUIDELINE

To achieve this goal, there are some routine housekeeping procedures which should be followed. The care of your home should become a priority. If you have family members old enough to help you, assigning chores could assist in keeping your unit in order.

Cleaning supplies such as a mop, broom, Spic & Span, Pine Sol, dustpan, Windex, or ammonia should be in your closet.

Daily Duties:

- Sweep floors to remove food crumbs and outside soil. Vacuum carpet.
- With a damp cloth, wipe countertops, range hood, inside and outside of your refrigerator, windowsills, cabinets, fingerprints from walls and any surface which collects grease and/or dust.
- Do not let anyone mark on your walls with crayons, markers, pens, pencils, etc.
- Wash dishes, dust furniture.
- If necessary, use a damp mop to remove dust and dirt from floors.
- Make beds, put clothes away.
- Clean bath sink and tub
- Make sure your garbage is bagged properly and taken to the dumpster. Food crumbs, spilled liquids, and improperly bagged garbage invite roaches and other unwanted pests into your unit.
